

SHO-ME® Instructions

03.0771 Headlight Kit with Wagner Flasher 03.0774 Headlight Kit with Tridon Flasher

***FOR AUTHORIZED EMERGENCY USE ONLY:
LAW ENFORCEMENT MARKED OR UNMARKED CARS.***

Designed to flash your vehicle's high beam headlights as a warning signal.
Allows normal use of the High Beam Lights when the rocker switch is in the OFF position.

CAUTION

INSTALLER must use a voltmeter to determine which wire and bulb terminal is high beam 12-volt positive before attempting installation.

INSTALLATION INSTRUCTIONS

1. Mount switch/flasher unit in desired location.
2. Route four conductor cables through firewall to headlights.
3. Determine which diagram applies to your vehicle.
4. Separate the wires so that the white and brown are at the left side and the yellow and green are at the right side.
5. Cut the wire(s) to the high beam lamp as shown by the "X" in the diagram. This must be within 12 inches of the lamp.
6. Connect the wires from the flasher unit to the lamps as shown in the diagram.
NOTE: If two or more wires have been cut from the lamp, be sure that all wires cut away are connected to the brown on the left side and yellow on the right side.
7. Connect the red wire from the flasher unit to a 12-volt source (fuse panel, master switch, etc.)
This completes the installation of the system.

SPECIAL NOTE: Some Toyotas require the "RED" power lead to be grounded. This is due to a "Reverse Polarity" lighting system. Only the 03.0771 kit will work in this case.

OPERATION

1. With the flasher switch "on", the high-beam headlamps will alternately flash (Wig-Wag). Normal high-beam operation is interrupted.
2. With the flasher switch "off", normal high-beam operation is restored.

LIMITED WARRANTY

Able 2 Products Company warrants each new product (except bulbs and strobe tubes) to be free from defects in material and workmanship for a period of two years from the date of purchase. During this warranty period, the obligation of Able 2 is limited to repairing or replacing, as Able 2 may elect, any part or parts, which after examination by Able 2 are determined to be defective, when they are delivered pre-paid. This limited warranty does not cover travel expense, the cost of specialized equipment for gaining access to the product, or labor charges for the removal and re-installation of the product.

Able 2 Products Company shall not be liable for incidental or consequential damages, including but not limited to: Loss of use of vehicle, Rental of substitute vehicle, Loss of time, Loss of work, Inconvenience, Transportation expenses, Telephone, Lodging, Loss of revenue, Loss of and/or damage to personal property for or arising out of breach of any express or implied warranty of its products.

Use of lamp or other electrical load of a wattage higher than installed or recommended by the factory, or use of inappropriate or inadequate wiring or circuit protection causes this limited warranty to become void. Able 2 Products Company will in no way be liable for any loss of profits or any indirect or consequential damages arising out of any such defect in material and workmanship whether loss is due to negligence or breach of warranty. This limited warranty does not apply to shipping damage, accident, alteration, tampering, misuse or abuse and unauthorized service.

This limited warranty is expressly in lieu of all other express or implied warranties, including the implied warranty of merchantability and the implied warranty of fitness for a particular purpose, and of all other obligations or liabilities on the part of Able 2 Products Company. There are no warranties, unless expressed in authorized Able 2 literature, which extend beyond the description of the face hereof. No dealer, distributor, employee, or representative of the company is authorized to change this warranty in any way or to grant any other warranty.

PRODUCT RETURNS

If a product must be returned, contact our factory by calling 1-800-641-4098 to obtain a Return Authorization Number (RA) before you ship the product. Write the RA Number clearly on the package and return it to Able 2 Products Company, P.O. Box 543, 804 E. Hwy.248, Cassville, MO 65625-0543. A packing slip should be included with all shipments listing the sender's name, address, daytime phone number and description of defect. Your product will be put in first-class operating condition or replaced with a new part, and returned pre-paid.
