

Economy Back-Up Alarm

Model 13.0040

INSTALLATION INSTRUCTIONS

Back-up alarms should be installed on the rear of the vehicle in a location that will provide protection from weather conditions and minimize the possibility of damage in the event of collision. Alarms should be mounted approximately 4' above the ground with the face of the alarm directed toward the rear or hazard zone of the vehicle.

Self-adjusting models must "hear" the surrounding sound level in order to properly adjust output decibels. Mounting location is important and can affect proper function of automatic decibel adjustment. Installer "must" insure alarm is installed in a location that will take advantage of maximum decibel output.

ELECTRICAL CONNECTIONS

1. Figure 1 - for vehicles with back-up light circuit.
2. Figure 2 - for vehicles without back-up light circuit.
The use of a back-up switch (not included) is required.
3. Use 18-gauge wire (minimum) for installation.

LIMITED WARRANTY

Able 2 Products Company warrants each new product (except bulbs and strobe tubes) to be free from defects in material and workmanship for a period of two years from the date of purchase. During this warranty period, the obligation of Able 2 is limited to repairing or replacing, as Able 2 may elect, any part or parts, which after examination by Able 2 are determined to be defective, when they are delivered pre-paid. This limited warranty does not cover travel expense, the cost of specialized equipment for gaining access to the product, or labor charges for the removal and re-installation of the product.

Able 2 Products Company shall not be liable for incidental or consequential damages, including but not limited to: Loss of use of vehicle, Rental of substitute vehicle, Loss of time, Loss of work, Inconvenience, Transportation expenses, Telephone, Lodging, Loss of revenue, Loss of and/or damage to personal property for or arising out of breach of any express or implied warranty of its products.

Use of lamp or other electrical load of a wattage higher than installed or recommended by the factory, or use of inappropriate or inadequate wiring or circuit protection causes this limited warranty to become void. Able 2 Products Company will in no way be liable for any loss of profits or any indirect or consequential damages arising out of any such defect in material and workmanship whether loss is due to negligence or breach of warranty. This limited warranty does not apply to shipping damage, accident, alteration, tampering, misuse or abuse and unauthorized service.

This limited warranty is expressly in lieu of all other express or implied warranties, including the implied warranty of merchantability and the implied warranty of fitness for a particular purpose, and of all other obligations or liabilities on the part of Able 2 Products Company. There are no warranties, unless expressed in authorized Able 2 literature, which extend beyond the description of the face hereof. No dealer, distributor, employee, or representative of the company is authorized to change this warranty in any way or to grant any other warranty.

PRODUCT RETURNS

If a product must be returned, contact our factory by calling 1-800-641-4098 to obtain a Return Authorization Number (RA) before you ship the product. Write the RA Number clearly on the package and return it to Able 2 Products Company, P.O. Box 543, 804 E. Hwy. 248, Cassville, MO 65625-0543. A packing slip should be included with all shipments listing the sender's name, address, daytime phone number and description of defect. Your product will be put in first-class operating condition or replaced with a new part, and returned pre-paid.

WARRANTIES:	Strobe Power Supplies5 Years
	All Other Products (EXCEPT Bulbs)2 Years (under normal use)
	Strobe Tubes1 Year (under normal use)
	NOTE: Halogen and Incandescent Bulbs are not covered by warranty.
